mention			

Maths:

1. Practise your times tables for the weekly test.
2. Write your own worded math problem to solve using column addition

Reading:

Make sure you read every night and fill-in your reading record.

Topic: *Make your musical instrument!*

- Use the design you did last week to help you make it.
- Remember to keep it simple—use an empty shoe box or milk bottle.
- You will be decorating it for your homework next week, so you don't need to bring it into school yet.
